Valparaíso. Chile.

Acknowledgements

Here you can add your personal acknowledgements, including possible funds that helped you to develop this work.

Abstract

Here you should put the abstract. Try to make this introductory text the clearest possible, inviting the reader to continue reading your work.

Contents

1	Introduction	1
1.1	Life in extragalactic planets	1
1.1.1	Life as seen with AO-aided K-band Integral Field Spectroscopy .	1
A	This is an appendix	3
A.1	A detailed explanation for the existence of life	3

CHAPTER 1

Introduction

1.1 Life in extragalactic planets

Life is beautiful there...

1.1.1 Life as seen with AO-aided K-band Integral Field Spectroscopy

Historically, life has been very difficult to detect (e.g. ?)...

APPENDIX A

This is an appendix

A.1 A detailed explanation for the existence of life

A unified scheme has been developed...
